[transcript]

The Journal *Digital Culture & Society* appears twice a year, in March (spring) and September (fall).

It is available for annual subscription directly from the publisher. The subscription begins with the current issue and includes all issues of one year. Delivery of the subscribed issues occurs immediately after their appearance. Invoicing occurs with delivery of the first issue of a year. The subscription is automatically continued by one year, unless canceled with the publisher by February 1st.
